LABOR DAY HOLIDAY / REFUSE PICK UP

On Monday, September 6, 2010 Village Offices will be closed in observance of the Labor Day holiday. Pellitteri Waste Systems, the Village's refuse and recycling collector, will also be taking the day off.

Whenever an officially observed holiday falls on a Monday, pickup is simply moved to the next day. In this case, refuse **and recycling** will be picked up on Tuesday, September 7, 2010.

Please put your carts out **by 7:00 am** on Tuesday the day after Labor Day. Please note Pellitteri has to pick up refuse and recycling carts in the Village as well as complete its normal Tuesday routes. Different drivers or extra vehicles may be in the Village. They may take a different path thru the Village or show up earlier than usual.

Labor Day is the last holiday in 2010 that will affect refuse and recycling pickup. In 2011, Memorial Day, July Fourth and Labor Day will fall on a Monday. To date, Pellitteri has done business as usual on Martin Luther King, Jr. Day which is the third Monday in January.

CALENDAR OF EVENTS

All events will be at Village Hall unless otherwise noted***

SEPTEMBER

6	Labor Day Holiday (Village Offices Closed)	
9	Democratic Candidates Forum – 77th Assembly District 7:30 pm
13	Parks Committee 5:30 pm
13	Public Works / Traffic Committee 7:00 pm
14	Fall Primary Election (polls open 7:00 am to 8:00 pm)	
15	Finance Committee 5:30 pm
20	Board of Trustees 7:00 pm
21	Municipal Court (Traffic) 5:30 pm
TBA	Plan Commission 7:00 pm

OCTOBER

2	FD Car Wash (at Fire Station) 10:00 am to 1:00 pm
2	Computer/Electronics Recycling (at Fire Station)	.. 10:00 am to 1:00 pm
11	Municipal Court (Traffic) 5:30 pm
11	Parks Committee 5:30 pm
11	Public Works / Traffic Committee 7:00 pm

** The calendar includes all meetings and dates submitted at the time of publication
*** Meeting dates / times are subject to change. Check with the Village Hall or the meeting chair.

SEPTEMBER - OCTOBER 2010

THERE WILL NOT BE A DECEMBER BULLETIN PUBLISHED AT THE END OF NOVEMBER THIS YEAR

HIGHLIGHTS FROM THE AUGUST 16, 2010 MEETING OF THE BOARD OF TRUSTEES

(Complete detailed minutes will be available on our website or at the Village Hall)

Attendance – Mr. Hurley and Ms. Borisy-Rudin were excused. Ms. Townsend was excused from the meeting at 8:59 pm.

Consent Agenda – In an effort to expedite meetings, items on the consent agenda are considered as a group and are adopted with one motion. Any Board member may unilaterally remove an item from the consent agenda if he or she believes the item needs discussion. Consent agenda items included approval of the Board Minutes from the [July 19, 2010](#) meeting; an Operator's License; two Street Use Permits; three Block Party Permits; and, Solicitor Permits for WisPirg.

Certified Survey Map for 1014 Beloit Court – The Board considered approval of a certified survey map splitting the lot at 1014 Beloit Court into two parcels. The Plan Commission and Zoning Administrator reviewed the map and both lots meet all the requirements of the Village's zoning code. At its August 10, 2010 meeting the Plan Commission recommended the Board accept the map. Three neighbors of the property were in the audience and expressed their concerns regarding, among other things, stormwater runoff and what they felt was inadequate notice of the proposed lot split. The Board voted 4-1 (Ms. Center voting no) to send the issue back to the Plan Commission so that a public hearing could be held. A public hearing before the Plan Commission would conform with past practices when certified survey maps were submitted to the Village (*see related article on page 4*).

Parking Request Around First Unitarian Meeting House – The Shaarei Shamayim congregation will be holding Rosh Hashanah services at the First Unitarian Meeting House on Thursday & Friday, September 9 & 10. On Thursday, they anticipate needing parking for about 70 cars. Chief Dennis Pine explained that the Police Department has accommodated the parking request in the past by utilizing the pool parking lot and a few spaces on Marshall Court. The Board unanimously approved the request and directed Chief Pine to work with the congregation to ensure residents on Cornell Court and other neighboring residential streets were not inconvenienced.

Claim of Conflict of Interest – Mr. Ridders' claim of conflict of interest was submitted into the record. The claim relates to Trustees who are members of the pool voting on the hiring of summer staff. Ms. Townsend and Mr. Benforado submitted documents stating why they believed they did not have a conflict. The original process to resolve claims of conflict will be followed in this case.

Ethics Code – The Board unanimously approved the proposed revisions to the process to resolve conflicts under the Village's Ethics Code for any future claims. The revisions dealt mostly with setting timelines for responses and arbitration.

Pool Liner Project – Ms. Center reported that the Pool Committee is considering additional work to install a stainless steel strip that would extend over a grout line on the upper edge of the pool. Because of the existing stainless steel gutters, the new pool liner installation resulted in a gap between the gutter and liner. The estimate to install the stainless steel strip is \$20-25,000, however the true need and extent of the work can not be determined until the pool is drained Labor Day. The Village budgeted \$120,000 for the project and has spent \$90,000 so far. The Board asked for a firm quote on the additional work. If necessary, the Board would consider calling a special meeting to consider the expenditure and schedule the additional work.

Appointments – The Board unanimously ap-

Pneumonia Shots = \$55

Cash, check, VISA or MasterCard accepted.

Medicare B and Medicaid may be accepted.

Bring your insurance card (Medicaid Forward card, Medicare Advantage Plus card) and a photo ID.

Not all Medicare Advantage Plans are accepted.

continued from page 2

proved Mary Morton's appointment to the Traffic Committee.

President's Report – Regional Traffic Authority Meeting – The Village will host a Dane County Regional Transit Authority meeting at the Village Hall on Wednesday, August 25, 2010 at 5:00 pm. Mr. Sundquist reported that the Village will present the Transportation Section of its Comprehensive Plan at this meeting.

Administrator's Report – Pool Bike Path Project – Mr. Frantz asked the Board for direction regarding the bike path near the pool. Committees and staff have proposed some ideas to make the area by the pool safer. The Board directed Mr. Frantz to move forward with design and possible construction of the proposed section of bike path along Purdue Street between Columbia Road and the Pool.

Committee Reports – None of the committees had anything significant to report other than what was discussed earlier in the meeting.

Adjourn – The meeting was adjourned at 9:15 pm.

SAFETY TIPS FOR DRIVING NEAR THE SCHOOL

The safety of every child going to and coming from the Shorewood Hills Elementary School is everyone's main concern. The Police Department encourages parents to accompany their children on foot or by bicycle. Fewer people driving will help to reduce traffic congestion and keep our children safe.

Crosswalks – During the school year, the Village provides adult crossing guards at key intersections in the Village for students' walking and biking safety. Crossing guards are located on Oxford Road at Bowdoin Road and Shorewood Boulevard at Topping Road-Harvard Drive. Please remember pedestrians in any crosswalk have the right of way. Drivers must come to a complete stop prior to the crosswalk and remain stopped until everyone in the crosswalk has cleared the roadway. At intersections staffed with a crossing guard, all traffic is required to stop from the time the crossing guard walks into the street until the crossing guard returns to the side of the road. Crossing guards often use STOP signs and traffic vests to increase their visibility.

Drop-Off and Pick-Up Areas – Shorewood Boulevard has designated 'Drop-Off' and 'Pick-Up' areas on the west side of the street. All motor vehicles in these areas must be attended at all times. You may stop in the 'Drop-Off' and 'Pick-Up' area and walk your child safely across the street, but you must immediately return to your vehicle and leave the area. If you choose to walk your child into the school and leave your vehicle unattended you must be parked in a legal spot (**not in the 'Drop-Off' and 'Pick-Up' area or an area posted 'No Stopping, Standing or Parking from 7:30 am to 4:30 pm on school days'**). No Parking, Stopping or Standing areas will be enforced. There is a gravel area on Columbia Road near the teachers' parking lot driveway that has been designated as a 'Drop-Off' and 'Pick-Up' on the east side of the school. The same rules apply in that area. Vehicles must be attended at all times. Space is limited and vehicles parked illegally will be cited.

Speed Limits – The speed limit on all streets in the Village is 20 mph with the exceptions of the **school zone when children are present (15 mph)** and Locust Drive (25 mph). The Shorewood Hills Police Department strongly enforces all traffic laws and drivers should pay attention to all signs and obey all the rules of the road. Thank you and have a safe year.

VOLUNTEERS NEEDED FOR IMMUNIZATION CLINICS

Home Health United will be conducting Flu Shot Clinics at the Village Hall on Election Day again this year. A couple of volunteers are needed to help with collecting money, making sure paperwork is filled out properly, etc.

If you are able to help on **Tuesday, November 2, 2010** during either the morning clinic (7:30-9:00 am) or evening clinic (4:30-6:00 pm), please contact Terence at the Village Hall at 267-2680 or by e-mail at terence@shorewood-hills.org.

WORD OF THE WOODS

By Corey George

Trees, Shrubs and Community Forestry Management – Residents are encouraged to read over the newly revised Village ordinance regarding trees in the Village. The ordinance includes sections related to Oak Wilt, Dutch Elm Disease, Emerald Ash Borer (EAB), the Village’s right of way, construction regulations, and more. The ordinance is available on-line at <http://www.shorewood-hills.org/ordinances/chapter19.pdf>

Street Tree Pruning Projects – Tallyho Lane is the next street scheduled to be pruned. We are hoping to prune all the public trees on this street in October. There are a few trees scheduled to be removed because they are no longer structurally sound. Please contact the Village Forester at Village Hall, 267-2680 or cgeorge@shorewood-hills.org if you have any questions or specific requests.

Ragweed Allergy – Starting in late summer, pollen from ragweed can make life miserable for many people with allergies. The pollen has already begun to release, and will continue into the fall season. If you haven’t done so already, please take the time to survey your yards for ragweed and pull the plants before they go to seed.

Giant Ragweed

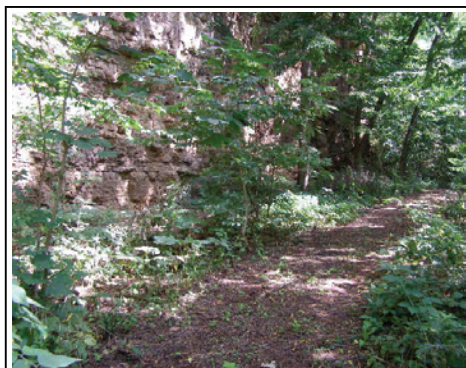

Common Ragweed

Walking Paths in the Parks – Take your family and enjoy a walk through one or more of the Village Parks. The Quarry, Reese Woods, Koval Woods, Four Corners Park, and Post Farm Park all have small foot trails that have been recently cleared.

Quarry Park Trail

Quarry Park Trail

Koval Woods Trail

LAND DIVISIONS AND CONSOLIDATIONS BY CERTIFIED SURVEY MAP

Prior to 2006 the Village did not have an ordinance in place regulating land divisions. Before then, in the absence of an ordinance regulating the subdivision of land, any request for division, lot consolidation, or reconfiguration went directly to Dane County. The County approved the change if it met the County’s minimum requirements, without consideration of the Village’s zoning regulations. The Village only found out about land divisions after they occurred.

Since the Village is fully subdivided and platted, the need for such a ordinance was probably not perceived. However, there are a number of lots in the Village that are large enough to be divided and still meet the bulk regulations (lot size) in our zoning code. In order to ensure that all Village zoning regulations are met and to allow for Village input (as well as the simple knowledge of pending changes) the Board passed an ordinance in

MEDDROP – THE BEST PLACE TO GET RID OF MEDICATIONS

Unwanted, unused prescriptions and over-the-counter medicines can be found in every household in the county. We know that it's not safe to keep unneeded medicines in the house – children and others can accidentally take them. We also know that we shouldn't flush medicines down the toilet or put them in the trash as they can pollute the environment – our water, our lakes and the animals in them.

So... how should we get rid of our medicines? Bring your unneeded medicine to MedDrop.

MedDrop is a free, drive-thru service available to all Wisconsin residents. In Dane County the program has been growing year after year. During the spring event in June, over 2,400 cars drove through one of the three MedDrop sites. Approximately 5,600 pounds of medications were collected. Most encouraging was the fact that over 630 pounds of controlled medications were collected, well over twice any previous MedDrop event. These medications were taken to a hazardous waste facility that specializes in environmentally safe pharmaceutical waste disposal. So, dig through those medicine cabinets and help spread the word!

When? The next MedDrop will be held on **Saturday, October 2, 2010** from **9:00 am to 1:00 pm**

Where?

Madison: Sennett Middle School – 502 Pflaum Road
Middleton: High School – 2100 Bristol Street
Sun Prairie: Recycling Center – 1798 S. Bird Street

For more information go
to the MedDrop website:

<http://www.meddropdane.org/>

UBD RECONSTRUCTION UPDATE

The reconstruction of University Bay Drive from Colgate Road to Oxford Road including underground water, sewer and stormwater is expected to be completed and reopened to through traffic by September 1, 2010.

The project, which was cost-shared with the University, includes new stormwater retention features between the intramural fields and the roadway.

U-AVE RECONSTRUCTION UPDATE

By the time this issue goes to print, Rose Place will have reopened and crews may have completed lay down asphalt on the north side of University Avenue. The installation of the box culvert from Midvale Boulevard to Shorewood Boulevard will be done along with the water and sewer lines below that same north side section of the avenue.

Soon after the asphalt has been put down, westbound traffic will be shifted to the new asphalt on the north side of the roadway. The eastbound lanes will remain where they are for a short time while some underground connections are extended under the middle section of the roadway. Then, eastbound traffic will be shifted to the middle section of the avenue while crews work on the south side of the street. The south side (and eventually the middle section) of the roadway will take much less time to compete since there isn't a box culvert to install on that side of the avenue.

The Village will continue to send out informational “blast” e-mails when appropriate to residents and interested parties on our e-mail distribution lists. If you'd like to be added to the information list, Bulletin notification list, or any committee list, simple send an e-mail to the Village Hall. In your e-mail to info@shorewood-hills.org, please include your name, address and the topic(s) about which you'd like to receive information.

The City of Madison website also has an e-mail and text alert option. Go to: <https://my.cityofmadison.com/> and follow the instructions to register yourself for the updates.

SHOREWOOD LEAGUE BULLETIN

NUMBER 4534 - SEPTEMBER 2010

We mourn the death of

Lucille Parks – 3301 Tallyho Lane

The Shorewood Hills Community League would like to acknowledge births and deaths of Village residents. Please help us by notifying Betsy Kramer (238-9982) with such info.

GARDEN CLUB NEWS

The first **Garden Club meeting** of the 2010-11 year falls on **Thursday, October 7**. The theme will be gardens that feature edibles along with ornamentals, ie. vegetables, herbs along with edible flowers and more. Speakers will talk about where they got their inspiration, design, and how-to's. As a bonus, we will sample "Tapas" (small bites) featuring fresh produce and herbs to demonstrate the *culinary applications of growing your own*. Join us at 7:00 pm at the home of Barbara Hodder, 3441 Crestwood Drive. We welcome all members of the Shorewood Hills community and especially invite newcomers to join us.

We need your help!!

Everyone notices the lovely planting beds known as "**Village Triangles**" and comments on how much they add to the beauty of the Village landscape. **Now we are looking for a few good folks to join the Triangle gardeners.** We need to fill the void left by hardworking Lynn Krainer, who tended the Triangle at Yale and Colgate, and will happily add others to our group. The job description is simple: maintain the plantings in the Triangle, weed and care for them over the summer gardening months. The Garden Club provides a small stipend which pays for plant material should one want to change or add additional specimens. The club also supports work days, when more difficult or challenging tasks can be addressed by a group of volunteers. One need not be a member of the Garden Club to maintain a Triangle. All we ask is the commitment over the growing months! Many volunteers share a Triangle among two friends, making the maintenance a shared and social occasion. If you are interested in volunteering for a Triangle, please call Jill Dittrich at 231-6141 or email her at jilldittrich@tds.net.

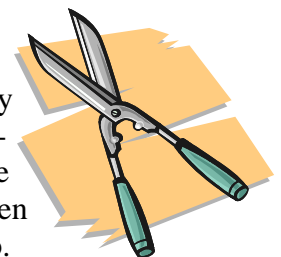

GARDEN CLUB MEMBERSHIP

If you have not yet renewed or joined the Shorewood Hills Garden Club, there is still time. Please send in your Garden Club membership forms soon!

The application form can be found in the *June League Bulletin*.

TOOL SHARPENING PROGRAM

The Shorewood Hills Garden Club had a tool drop off and pickup program to sharpen any kind of knife, scissors or garden shears. Stop by Wisconsin Cutlery at 3236 in the Shorewood Shopping Center. They can sharpen any typical knife or blade and you can inquire about other items that may need sharpening. Just mention the Shorewood Hills Garden Club to get a reasonable price and a portion of the cost will be donated to the Garden Club.

League Bulletin continued on page 7

APARTMENT BUILDINGS PROPOSED NEXT TO TARGET

Village residents may be interested in a public hearing for a rezoning request being considered by the City of Madison to construct two apartment buildings totaling 96 units in the 900 block of Segoe Road adjacent to the new Target at Hilldale Shopping Center. The developer secured WHEDA Section 42 assistance in March prior to going through Madison's zoning process. For more information, including site maps, letter of intent and meeting schedules, go to: <http://www.cityofmadison.com/planning/projects/rezoning/709nsa.html>

SERVICES

Green Acres Lawn Service – Now is the time to sign-up for shredded bark mulch sales and spreading, gutter and downspout cleaning, lawn mowing, sidewalk and driveway edging, fertilizer and weed control programs, lawn aeration, bush pruning, tree work and blacktop driveway sealing. Free estimates, fully insured. Call Rob at 831-8050 or e-mail rkuster@chorus.net

Math Tutor (Elementary, Middle and High School) – Current High School Mathematics teacher and Shorewood Hills resident. References upon request. Call or e-mail Steve Collins at 233-9494 or stcollins1966@gmail.com

Call B&E Construction and Remodeling for your home improvements – Additions, windows, siding, roofing, basements and small jobs. Call Brett at 831-5545.

Free haul-away of appliances – Usually same-day pick-up. Call Brett at 238-3688.

Guitar Lessons – Whether your goal is strumming songs or becoming a guitar hero, lessons are available right here in the Village! Experienced teacher with 20 years playing experience in all styles available – all ages, all skill levels welcome. Contact Aaron Katcher (608) 661-0226 or visit aaronkatcher.com

SHOREWOOD HILLS COMMUNITY LEAGUE BULLETIN ADVERTISING POLICY

The Shorewood Hills Community League Bulletin accepts ads from Village residents and businesses. The Bulletin does not accept non-resident commercial ads. Non-residents wishing to buy or rent homes in the Village may place ads for such if they provide a Village reference. Limit ads to 150 words or less.

Commercial ads placed by businesses within Shorewood Hills Village limits: 50¢ per word. Residents of the Village: 30¢ per word. Residents under the age of 18: 10¢ per word. Make payment to the Shorewood Hills League. Mail to Annette Mahler, 3220 Tally Ho Lane, Madison, WI 53705, 233-6732. The Bulletin is published monthly.

Ads are due on Friday preceding the Village Board meeting. The League is not responsible for, nor does it endorse, services advertised in the Bulletin.

continued from page 4

February of 2006 regulating land divisions.

Now a proposed land division first comes to the Village for review. If it meets all minimum requirements the land division is approved and then sent to Dane County to be recorded. The Village can hold public hearings on a proposed land division at its discretion. To some degree this has been frustrating to some who may either support or are against the land division. The Plan Commission and Board are acting in a quasi judicial mode when they review land divisions. That means that if the land division meets the requirements of our zoning code, there is little or no basis upon which the division could be denied.

There are more stringent rules that the Village could enact. But owners of properties that could be divided are generally against the limitations. Attempts to enact more stringent rules have been controversial and up to now have not had the support to be considered. Please contact the Village Administrator, Karl Frantz, at the Village Hall or by e-mail at kfrantz@shorewood-hills.org if you have questions or comments.

Experienced Companion Care, part-time or live-in – Nearly five years experience live-in companion care for Shorewood Hills residents in their 80's and 90's, and 20+ years part-time assistance for Shorewood Hills and Oakwood Village residents. Have helped with mobility and transfers, prepared meals, played chess, shopped for groceries, walked dogs, done home repairs, maintenance, and cleaning, yard work. Excellent references: trustworthy, cheerful, kind! Reasonable rates and / or will work in exchange for a room. Please contact Jeff Stadler (608) 669-7792.

Home and Yard Maintenance and Repair – Skills include painting; house cleaning; hardwood floor sanding & refinishing; roof inspection & minor repairs; gutter repair & cleaning; driveway resurfacing; heavy lifting & moving; small tree & stump removal, lawn care & snow removal. Excellent references from 20+ years experience helping Shorewood Hills families. Dependable, hard-working, cheerful, kind! Reasonable rates and / or will work in exchange for a room. Jeff Stadler (608) 669-7792.

THERE WILL NOT BE A DECEMBER BULLETIN PUBLISHED AT THE END OF NOVEMBER THIS YEAR

RADIO-READ WATER METERS

The Village’s Public Works Department is in the process of upgrading all of the residential water meters so that they can be read remotely with a hand-held device. They will be able to accurately read water meters from the street, saving you and the crew a lot of time.

If you haven’t had your meter changed yet, please contact Karla at the Village Hall (267-2680) or by e-mail at kendres@shorewood-hills.org to schedule an appointment. Appointments are available from 7:30 am to 2:30 pm, Monday through Friday. There is no charge for the upgrade and the change over should only take a few minutes.

NO DECEMBER BULLETIN

Please be advised that the Village will not publish a December issue of the *Village Bulletin* at the end of November again this year. Any notices for or events in December should be included in the November’s issue. The *Bulletin* is typically published on-line about a week after the monthly Board meeting (October 19). The printed version hits mailboxes about a week later. The deadline for the November issue is Friday, October 16.

Budget constraints resulted in a plan to produce only 11 issues again in 2010. The December issue will be skipped because it is typically delayed a week or more due to the Thanksgiving holiday.

Next Bulletin Deadline: Friday, September 17th

On-Line Bulletin Bonus

UPCOMING BLOCK PARTIES	
Roads may be blocked with barricades and impassible during the times listed (emergency vehicles excepted)	
Sunday, August 29 5:00 pm to 9:00 pm	Tallyho Lane Block Party 3300 block of Tallyho Lane between Western and Highbury Roads.
Monday, September 6 3:00 pm to 8:00 pm	Wellesley Road Labor Day Block Party 1100 block of Wellesley Road between Colgate and Columbia Roads.
Saturday, September 18 3:00 pm to 8:00 pm	Edgehill Drive Block Party 1000-1200 blocks of Edgehill Drive between Topping Road & Blackhawk Drive.
Sunday, September 19 3:30 pm to 8:00 pm	Lake Mendota Drive Block Party 3400 block of Lake Mendota Drive between Edgehill and Sumac Drives.

77th Assembly District Democratic Candidate Forum

Date/Time: Thursday, September 9 at 7:30 pm
Location: Shorewood Hills Village Hall
810 Shorewood Boulevard
Lower Level Meeting Room

Five Democrats will be on the September 14, 2010 primary ballot, vying for the seat to be vacated by retiring Representative Spencer Black. This forum will be a great opportunity to learn more about each candidate's views on issues that affect the Village, region and state. The event is free and open to the public.

Candidates:

- **Dianne Hesselbein** – Middleton; member of Dane County Board
- **Brett Hulsey** – Madison; member of Dane County Board
- **John Imes** – Shorewood Hills; Executive Director of Wisconsin Environmental Initiative
- **Fred Wade** – Shorewood Hills; attorney
- **Doug Zwank** – Middleton; retired USDA and former Middleton mayor
