

Chapter 6

EMERGENCY MEDICAL SERVICE

- 6.01 Emergency Medical Service Established
- 6.02 EMS Director
- 6.03 Emergency Medical Service Personnel
- 6.04 Governance and Structure
- 6.05 False Medical Emergency Calls Prohibited
- 6.06 Obstructing Emergency or Rescue Personnel

6.01 Emergency Medical Service Established. The Shorewood Hills Emergency Medical Service (EMS) is established for the purpose of providing immediate emergency medical service under Wis. Stats. §61.64 and §146.55.

6.02 EMS Director. The EMS Director shall perform the duties prescribed by the village board.

6.03 Emergency Medical Service Personnel. The village elects to adopt the provisions of Wis. Stats. §146.50 pertaining to EMS personnel, licensure, certification, and training. EMS personnel shall be appointed by the EMS Director subject to approval by the village board. EMS personnel shall serve at the pleasure of the village board.

6.04 Governance and Structure.
(1) The Public Health and Safety committee will have oversight responsibility for the policies of the EMS, subject to approval by the village board.

(2) The EMS director shall appoint

officers subject to approval of the village board.

(3) The EMS shall adopt written policies and procedures.

6.05 False Medical Emergency Calls Prohibited. No person shall give or send or cause to be given or sent, in any manner, any medical emergency alarm known to be false.

6.06 Obstructing Emergency or Rescue Personnel. The provisions of Wis. Stats. §941.37 are hereby adopted and incorporated herein by reference.
