JANUARY - FEBRUARY 2015

HIGHLIGHTS FROM THE DECEMBER 15, 2014 MEETING OF THE BOARD OF TRUSTEES

(Complete detailed minutes will be available on our website or at the Village Hall)

Attendance – Mr. Ridders was excused. Ms. Borisy-Rudin was excused from the meeting after the public information session.

Public Information on Blackhawk Lease – Mr. Frantz provided a summary presentation on the history, process and details the current and proposed lease with Blackhawk Country Club (*see article on page 4*). The Board decided to hold a special meeting on Wednesday, January 14, 2015 to discuss the public input provided at this meeting.

Consent Agenda – In an effort to expedite meetings, items on the consent agenda are considered as a group and are adopted with one motion. Any Board member may unilaterally remove an item from the consent agenda if he or she believes the item needs discussion. Consent agenda items included approval of minutes from the Board's [November 17 open](#) and closed session minutes; payment to Chris Carbon for pool transition management assistance; a pay grade adjustment for crewperson Tary Handschke who is taking on more responsibilities; and the overall 2015 pay grid schedule and step adjustment for employees.

November 12, 2014 Board Minutes – Mr. Benforado requested the minutes from the November 12 meeting be removed from the consent agenda. He proposed revisions to the discussion between Mr. Ridders and Ms. Townsend regarding Blackhawk Country Club. The Board unanimously approved the revised minutes.

Ordinance L-2014-2 – The Board unanimously agreed to waive the second reading of ordinance L-2014-2 amending sections 10-1-100(f), 10-1-100(g)(25) and 17.06 of the Village Code of Ordinances related to accessory uses and structures and licensing of dogs, cats and chickens.

Resolution R-2014-13 – The Board unanimously approved [resolution R-2014-13](#) stating the Village's opposition to the UW Recreational Sports' University Bay Drive Fields Plan and a desire to work collaboratively with the UW Madison to address campus master planning issues.

Resolution R-2014-14 – The Board unanimously approved [resolution R-2014-14](#) proclaiming March 12, 2015 as International Migratory Bird Day as part of the Village's Bird City USA application.

Amendments to Lease and Sublease Agreement for Landfill Property Jointly Owned By the Village – The Board unanimously approved an amendment to the lease agreement with the Metropolitan Refuse District and sublease with the Yahara Soccer Club for the former landfill jointly owned by the Village, City of Middleton and the Village of Waunakee.

Purchase of Police Squad – The Public Health & Safety Committee recommended and the Board unanimously approved the purchase of a new police squad for an amount not to exceed \$28,412. The funds have been allocated in the 2015 budget.

2015 Meeting Dates and January 20, 2015 Village Caucus – The Board unanimously approved the regular meeting dates, a special budget meeting date and set the date of the caucus (*see schedule on page 3*).

Appointments – The Board unanimously approved Mr. Sundquist's appointment of David Vitse to the Personnel Committee to fill a vacancy.

Village Administrator's Report – Mr. Frantz reported on the status of the water loss issue. The crux of the problem was a metering error on the part of the Madison Water Utility. The Village will be reimbursed the amount of the excess charge. Mr. Frantz also reported that a developer will be presenting a plan for public hearing to build a mixed-use apartment building with a commercial/office component at the corner of Marshall Court and University Bay Drive (700 UBD) at the Plan Commission meeting on January 13.

Plan Commission – Mr. Benforado reported that John Flad presented a plan to develop ATT Plaza (3310 University Ave). The proposed development would be a five-story apartment building with commercial space on the first floor. The Commission held a public hearing on the project and various concerns regarding the project were voiced including the impact on the entryway wall, purchase of a portion of Village property, and setbacks. The Commission did not take action to recommend the project to the Board at that meeting.

Public Works Committee – Mr. Lederer reported the Committee has been working on reconciling the street

continued from page 2

signage with the Village ordinance code. As a result of that work, the Committee is contemplating significant changes to Village parking regulations concerning one-sided parking to allow for the safe passage of emergency response vehicles. The Public Health & Safety Committee is also considering this issue.

Adjourn – The meeting adjourned at 11:36 pm.

2015 MARINA USER CONTRACTS – DUE FRIDAY, JANUARY 30, 2015

VILLAGE CAUCUS – TUESDAY, JANUARY 20

The annual Village Caucus will be held on Tuesday, January 20, 2015 at 7:00 pm at the Village Hall before the regular monthly Board meeting (please note that the meeting will be held on Tuesday due to the Martin Luther King, Jr. holiday on Monday).

The two-year terms of Village President **Mark Sundquist** and Trustees **Felice Borisy-Rudin**, **Bob Hurley** and **Tim Ridders** will end in April. At the Caucus the candidates for the three Trustees seats and Village President will be selected. Those nominated at the Caucus will be included on the ballot at the Spring Election to be held on **Tuesday, April 7, 2015**.

If more than two candidates for President or more than six candidates for Village Trustee are nominated at the Caucus, a “mini-election” will occur immediately that evening with the residents in attendance casting votes to determine who will be selected to run for election in April.

Please plan to attend the Caucus on Tuesday, January 20, 2015 (and stay for the Board meeting following the Caucus). It is a wonderful example of local democracy in action.

Anyone interested in running for an available seat or in learning more about the duties of a Trustee should contact the Administrator, Karl Frantz, at the Village Hall or any of the current Trustees.

² In April, newly elected trustees take office 14 days after the spring election. The Board meeting will be pushed back one day until Tuesday, April 21, 2015 to avoid a “Lame Duck” Board meeting.

³ There will also be a special Board meeting on Monday, November 2, 2015 to present the 2016 Budget to the public before it is approved at the regular November Board meeting.

BLACKHAWK COUNTRY CLUB LEASE

The Village held a public information meeting regarding a new long term lease with the Blackhawk Country Club at its December 15 meeting. The meeting was very well attended and the Board received a lot of valuable input to consider. There were statements made, questions asked and to the degree possible, answers provided.

The Board has decided to hold a special meeting devoted to this subject on Wednesday, January 14, 2015 at 7:00 pm to take what it has heard under consideration and chart its next course of action. This meeting may be primarily devoted to Board discussions, but as always, the public is welcome to attend and the Board may choose to take more input. The deadline to have the required advisory question put on the April 7 ballot is in January. The Board may also discuss the lease more at its regularly meeting on Tuesday, January 20 (which is also the date of the Village Caucus). The Village website (www.shorewood-hills.org) has a copy of the current and proposed leases along with a comparison of the two (go to the '**Board of Trustees**' >> '**Blackhawk Lease Negotiations**' section).

Additional information will be posted on the Village's website when available.

BLACKHAWK COUNTRY CLUB WINTER PRIVILEGES

The winter season is a good time for Village residents to enjoy Blackhawk Country Club. The current lease agreement with the Village allows residents certain uses of the Blackhawk Country Club Clubhouse and the surrounding grounds. Some of the uses permitted under the lease include the following:

Social Membership Privilege – Residents may apply for a social membership in the Club with the customary initiation fee waived and they will receive a discount (9/12ths of the regular dues).

Winter Sports – Residents may use the grounds for winter sports from December 1 to April 1 (weather permitting). The first and tenth holes are the steepest hills and are particularly good for sledding. Some have even found that these sites work for practicing downhill skiing for beginners if you are sturdy enough to climb up the hill without a tow. There are more gentle slopes around the course for toddlers as well. Cross-country skiers are free to cut their own tracks, but it is often possible to find tracks that have been created by others. When enough snow base has been established, Blackhawk grooms a course for cross country skiing. Please keep out of fenced off areas as they provide protection to the greens, tee boxes and other fragile parts of the golf course.

Clubhouse Access – On Saturday and Sunday afternoons from 12:00 pm to 5:00 pm the Blackhawk Clubhouse is open for residents to come inside to warm up, to use the restrooms, or to purchase drinks or hot cocoa.

Restaurant and Bar – Village residents may dine at the Club's restaurant and bar from January through April. Dining is on a cash basis. No gratuity or service charge will be automatically added to food and beverage bills. It is expected that residents will tip accordingly, based on the quality of service received, just as they would in any other restaurant. Reservations are appreciated. Casual attire, including blue jeans, is appropriate. Dining hours are:

- Lunch: Wednesday through Saturday from 11:30 am to 2:00 pm
- Dinner: Thursday through Saturday from 5:30 pm to 9:00 pm
- Sunday Brunch: 10:00 am to 12:30 pm
- Easter Brunch will be April 20th from 9:30 am to 1:00 pm
- Friday Night Fish Fry: 5:00 pm to 9:00 pm
- Two for \$30 Thursdays (New this year!) – Pick 2 entrées and 1 bottle of wine from our select menu for just \$30
- Each Thursday, we also feature a Taste of the World Special

Call the Club at 231-2454 for questions or reservations.

PROPOSED REDEVELOPMENT PROJECTS

ATT PLAZA

The Village Plan Commission held a public hearing on this proposed project that would demolish the ATT Plaza building and construct a five-story mixed-use building with 47 apartment units on four floors, a first level commercial retail component consisting of 12,600 sq. ft. of retail, one level of underground parking with 58 stalls and 60 stall of surface parking. The Commission did not take any action at the meeting. There were numerous questions posed by the Commission and audience, including the disposition of the entryway wall, the need to purchase Village-owned land, lack of an affordable housing component, as well as building setbacks. Flad Development may consider plan revisions based on these concerns.

The Plan Commission may set a second meeting in the last week of January to further consider this and other projects.

700 UNIVERSITY BAY DRIVE

This proposed project would encompass two properties on the south side of Marshall Court at the intersection of University Bay Drive. It includes 9,500 sq. ft. of commercial space and 54 apartments in the four-story building. There would be two levels of underground parking with 84 stalls. An additional 15 structured parking stalls at grade level with access off Marshall Court would be included to service the commercial tenants (a mix of office, retail or restaurant). The project also discusses the set aside of affordable housing units for individual families with incomes no greater than 60% of the Dane County median income. Approximately 7,660 sq. ft. of the lot would be dedicated for public use such as extension of the bike path. The project includes additional public spaces to help alleviate parking congestion on Marshall Court.

A public hearing is scheduled on January 13 before the Plan Commission. The project owner is 700 University Bay Drive LLC., Paul Lenhart, Krupp Construction.

PROPERTY TAX PAYMENTS

2014 tax bills have recently been mailed to property owners. The Village does not send copies of tax bills to mortgage holders. If you escrow your taxes, you may want to notify your mortgage company of the amount owed.

If you would like your property tax payment to be credited to 2014 for income tax purposes, it must be received by the Village by midnight on December 31. The Village Hall will be closed on New Year's Eve day which means, if you'd like to pay your taxes in person and have the payment credited to 2014, you will have to stop by the Village Hall before 5:00 pm on Tuesday, December 30.

If you can't make it into the office by that time, you may leave your payment in the Village's green Drop Box in the Village Hall parking lot. The Drop Box will be emptied at midnight on December 31. Any payments made after midnight will be credited to 2015.

Payment sent by mail postmarked on or before December 31, 2014 will be credited to 2014. If you have questions about property taxes, please contact the Village Hall.

Please note: The City of Madison is the only community in Dane County accepting quarterly tax payments this year. If you choose to pay your taxes in installments, the first half payment is due January 31, 2015. The remainder of the tax bill is due July 31, 2015.

NEW "BLAST" E-MAIL NOTIFICATION SYSTEM

The Village occasionally sends out e-mail notices regarding Board meetings, community news, police alerts and when the Bulletin is available. We call these "blast" e-mails. The Village's new website design program has the capability to send 'Bulk Mail' messages through the system. The Village will soon be changing the way we send out our "blast" emails notices to utilize this system rather than through our Gmail.

To keep receiving "blast" e-mails, residents, businesses and interested parties must subscribe to the service by going to the Village website (www.shorewood-hills.org) and select '**Departments**' >> '**Administration**' >> '**"Blast" e-mail notifications**'. Fill out the short form, select which notifications you would like to receive and submit. Questions? Contact the Village Hall (267-2680 or web@shorewood-hills.org).

PET LICENSES

All dogs and cats in the Village must be licensed annually. To obtain a license, please bring your pet’s most recent rabies vaccination record, including the vaccine’s expiration date, to the Village Hall. The deadline for obtaining licenses is **April 1, 2015**. There is a \$5.00 penalty after this date. The late fee increases to \$10.00 after June 1, 2015. Even if your dog or cat is due for the rabies vaccination after the deadline, licenses must be obtained by April 1.

FEE (Dogs): Neutered or spayed \$15.00
Not neutered or spayed \$20.00

FEE (Cats): Neutered or spayed \$8.00
Not neutered or spayed \$13.00

Do NOT purchase your license directly from your veterinarian (that is a City of Madison program). Your pet license records should be kept in the community where you live. If a pet is lost or running at large, we can locate the owners much easier if the records are at the Village Hall.

FAILURE TO LICENSE YOUR PET COULD RESULT IN A FINE

ADOPT A FIRE HYDRANT

During the winter, keeping fire hydrants clear of snow is usually a difficult job. The Madison Fire Department (MFD) provides fire protection services to the Village. Searching for a buried hydrant or having to dig one out could waste time in an emergency.

The Public Works Crew will continue to do their best to keep the Village fire hydrants clear but they could use your help. The Village is asking you and your neighbors to “adopt” the fire hydrant near your home and help clear the snow around it. A few minutes of time and effort after it snows can help ensure MFD will have quick access to water when needed. Clear a path from the road to the fire hydrant and maintain a clear area of about three feet around it.

We’d like to thank those residents who have been shoveling out their area hydrants in the past. Your efforts do not go unnoticed!

WINTER PARKING

The Village does not normally have alternate-side parking restrictions in the winter but when conditions warrant, a snow emergency may be declared. If such an emergency is declared, vehicles will be ordered off of the roadway entirely. Notification will be posted on the Village website, send out via “blast” e-mails and provided to the local media.

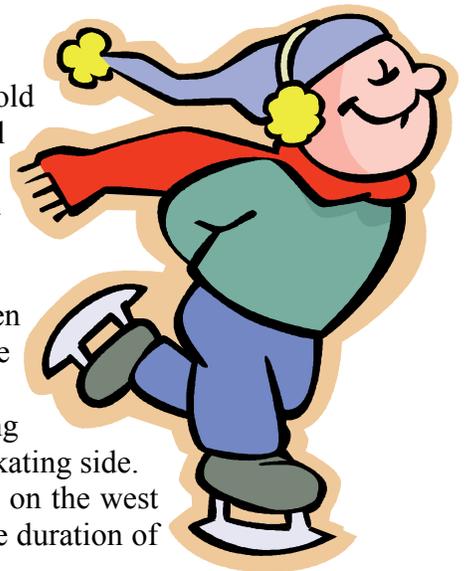

During a regular snow event, residents are asked to move their cars off the road before (or as soon as possible after) a snowfall so that the Public Works Crew can properly plow the streets.

Past experience has shown that heavy snowfalls early in the season result in narrower roads as the winter goes on. If you can park in your driveway or even alternate which side of the street you park on after a snowfall, it will help the Crew clear the streets. Your efforts will also assist the transit of the ambulance and fire engines when called to respond to emergencies in the Village. Thank you!!

ICE SKATING RINK

The hockey boards are ready and waiting for a long enough stretch of cold weather to make ice for the skating rink at the south end of the school grounds. We need temperatures to remain below 20°F (day and night) for at least a week to start making ice. If the weather cooperates, there are a few things you should know:

- When the **GREEN** flag is flying, the rink is “open” and ready for use.
- The **RED** flag indicates the rink is “closed” because it has recently been flooded to make new ice or warm weather has creates bad ice. Please stay off the ice when the red flag is flying.
- The ice rink is divided into an enclosed hockey area and an open skating area. For everyone’s safety, please avoid playing hockey on the open skating side.
- When it gets dark, the rink lights may be turned on via remote button on the west side of the Heiden Haus. Once pushed, the lights will remain on for the duration of the evening.

AMHERST DRIVE CLOSED

Please be aware that once (if) we have adequate snow cover, the road will be closed between 1121 and 1137 Amherst Drive.

The Village does this each year to allow for safe sledding down the hill at Bradley Park.

- The skating rink closes at 10:00 pm Sunday through Thursday and at 11:00 pm on Friday & Saturday nights. The lights will automatically shut off at these times.

Once (if) the rink is established, the Public Works Crew will continue flooding it periodically and clear off ice shavings and snow as often as possible.

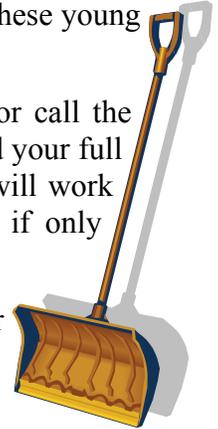

We wish you safe skating!

YOUNG ENTREPRENEURS

The temps have dipped into the single digits and snow has started to fall. Do you need help with snow shoveling or other odd jobs? For several years, the Village Hall has been kept a small database of Village kids interested in doing odd jobs including shoveling snow, pet walking/sitting, and more. Residents looking to hire help may call the Village Hall or e-mail Karla (kendres@shorewood-hills.org) to get a list of these young community entrepreneurs.

If you have kids who would like to be included on this database, they may e-mail Karla or call the Village Hall at 267-2680 (7:30 am to 4:00 pm, Monday through Friday). Kids, Karla will need your full name; phone number; and a list of jobs you are interested in doing. Please indicate if you will work anywhere in the Village or just in your own neighborhood (please include your address if only working in your neighborhood).

If you are currently part of the Village Hall database and would no longer like your name/number given out, please contact Karla to have your name removed.

2015 PARKING PERMITS

Almost every residential street in the Village is in a one- or two-hour restricted parking district. The only way to avoid a ticket is to have a parking permit. Parking permits allow residents to park on the street within 100 yards of their home for periods exceeding the posted restrictions. Current parking permits expire on December 31.

Residents are reminded to stop by the Police Dept. at the Village Hall to obtain 2015 Shorewood Hills Parking Permit sticker(s). There is no charge for the first sticker per household. Additional stickers are \$5.00 each.

The Police Dept. has temporary parking permit available if you have guests or contract workers who will be parking on the street in front of your house for more than the posted restrictions.

DISPOSAL OF CHRISTMAS TREES

There are a couple of options when you take down your Christmas tree this year. Many residents put the tree in their backyards after the holidays. It makes a wonderful bird refuge during the long winter months. You could also use the tree as mulch for your garden or tender shrubs. If you'd rather get rid of the tree entirely, the Village Crew will be chipping Christmas trees until the end of January.

Place your tree at the curb in front of your house before January 31, 2015. Please be sure to remove all ornaments, wires, straps or anything else on your tree. The metal and other objects could injure a member of the crew or damage the chipper blades. At \$400 per blade they are expensive to replace!

Wreaths and garland cannot be chipped. Put those items out with your regular refuse.

HOLIDAY OFFICE SCHEDULE

The Village offices will be closed on the following days in observance the holidays:

- Wednesday, December 31 – New Year's Eve
