

15th ANNUAL WATERFIGHT TOURNAMENT

Our tournament is single elimination (but it sometimes turns into a double elimination with byes because of an odd number of teams). Teams must consist of 4-5 people (over 18 years old please). Due to time constraint and logistical matters we try to limit it to 8 teams on a first come, first serve basis. So, sign up early, we cannot guarantee your team a position in the tournament if you hand in your registration form at the last minute. Opponent selection will be done “randomly” but be prepared for some irony . . . spouses typically find themselves at opposite ends on the field of battle. Please return this registration form to the Fire Station or Village Hall. If you have any question, please contact David Sykes at the Fire Station 267-2680.
