VILLAGE ELECTRICITY NEEDS GO 100% RENEWABLE

The Village Board authorized the purchase of 522 shares of solar energy from MGE at their July 17 meeting. The purchase of these shares along with ongoing participation in MGE's Green Power wind generation program will mean the Village's electric demand will be 100% sourced from wind and solar power once MGE's solar facility is built. The Village is the only municipality in Dane County to achieve this standard and possibly the only municipality in the state.

The Village's initial investment in the purchase of 522 solar shares is \$24,664.50 and a net present value analysis showed significant savings to the Village over a 25-year period. There are no penalties for withdraw from the program, other than money spent on the initial investment.

CALENDAR OF EVENTS

All events will be at the Village Hall unless otherwise noted*

AUGUST

5	Public Health & Safety Committee	7:00 pm
6	Recreation Committee (location TBD).....	7:00 pm
6	Plan Commission (Special Work Session)	7:00 pm
7	Ad hoc Stormwater Committee	7:00 pm
12	Municipal Court (Traffic)	5:00 pm
12	Parks Committee	5:30 pm
12	Public Works Committee	7:00 pm
19	Board of Trustees	7:00 pm

SEPTEMBER

2	Labor Day Holiday (Village Offices Closed)	
3	Recreation Committee	7:00 pm
4	Ad hoc Stormwater Committee	7:00 pm
9	Municipal Court (Traffic)	5:00 pm
9	Parks Committee	5:30 pm
9	Public Works Committee	7:00 pm
10	Plan Commission	7:00 pm
11	Finance Committee	5:30 pm
16	Board of Trustees	7:00 pm
25	Finance Committee	5:30 pm

* The calendar includes all meetings and events submitted at the time of publication. Meeting dates or times are subject to change. Check the [Village's website](#) or call the Village Hall for confirmation.

JULY - AUGUST 2019

The Village Hall will be closed on Monday, September 2 in observance of the Labor Day holiday.

HIGHLIGHTS FROM THE JULY 15, 2019 MEETING OF THE BOARD OF TRUSTEES

(Complete detailed minutes will be available on our website or at the Village Hall)

Attendance – All trustees were in attendance.

Procedures Orientation – Mr. Benforado discussed the Village's budget process.

Consent Agenda – In an effort to expedite meetings, items on the consent agenda are considered as a group and are adopted with one motion. Any Board member may unilaterally remove an item from the consent agenda if he or she believes the item needs discussion. The consent agenda included approval of regular minutes for the [June 17, 2019](#) Board meeting and seasonal hires for the Basketball Program, Tennis Program and Department of Public Works (Mr. Benforado recused himself for this item since his son works for the Basketball Program).

Special Meeting Minutes of June 12, 2019 – Mr. Benforado asked that this item be removed from the consent agenda and had some suggestions to clarify the discussion of the University Avenue reconstruction meeting and the stormwater/flooding. The Board unanimously approved the [June 12, 2019](#) special meeting minutes with Mr. Benforado's changes.

Ordinance L-2019-2 – The Board took no action on [ordinance L-2019-2](#) related to parking and towing vehicles.

Ordinance L-2019-3 – The Board unanimously approved the third and final reading of [Ordinance L-2019-3](#) amending section 2.02(10)(c)3 regarding resident/non-resident composition of the Waterfront Committee.

Consider issuance of conditional use permit for new home construction at 3580 Lake Mendota Drive – The property owner tore down the existing home last year with the intent to build a new home on the lot. The old home was north of the Lakefront Setback Line. The new home would comply with the lakefront setback regulations. The topography of the lot is challenging with significant elevation changes. The neighboring property owner is concerned about the water management plan for the new construction. The property owner indicated he has a common goal with the neighbor to ensure the new home construction does not cause water in the basement of either home. Professional engineers were hired to develop a landscape/stormwater management plan that respects the neighbor's property and will maintain or improve the water drainage on the lot. The Village Engineer reviewed the submitted plan and found it to meet all Village requirements. The Plan Commission recommended approval of the conditional use permit. The Board reviewed the Plan Commissions findings in detail and unanimously approved the conditional use permit for new home construction at 3580 Lake Mendota Drive.

Resolution R-2019-12 – In 2016, the Village widened University Bay Drive from Marshall Court to University Avenue in order to add bike lanes while maintaining the existing capacity of the intersection with University Avenue. The work was done in compliance with Wisconsin & Southern Railroad and the Department of Transportation standards, including relocating the railroad signal and lengthening the gate arm on the north side of the intersection. The office of the Commissioner of Railroads (OCR) has requested that the Village file a formal petition for the alterations that were made to the crossing in 2016. The OCR has not yet made the Village aware of any known deficiencies with the existing configuration of the crossing. The Board unanimously approved [Resolution R-2019-12](#) Petition for the alteration and improvement of an at-grade crossing.

Consider quote for chip seal on Colgate Road, University Bay Drive and Cornell Court – Scott Construction is the same company used by the Village last year. They are the only company in Dane County that uses the desired boiler slag for seal coating. The Village Engineer reviewed the cost per foot fee and feels it is appropriate. The Board unanimously accepted the proposal for chip seal on Colgate Road, University Bay Drive and Cornell Court at a cost of \$17,870 (that is budgeted in the Capital Improvement Fund).

Consider participating in MG&E shared solar program and purchase shares – Mr. Benforado, an employee of MG&E, recused himself from the discussion. The Board evaluated the present value analysis provided. Mr. Frantz had prepared a breakdown of the various funds that could help pay the \$24,664.50

continued on page 3

continued from page 2

purchase costs. Over the 25-year life of the agreement, the net savings would be more than the purchase costs. Obtaining 100% of the Village's power from renewable sources was identified as an environmental benefit in the draft Sustainability Plan. The startup costs were not budgeted in 2019 because the program was not available until now. The Village has a short time to join the shared solar program. The Board unanimously approved participating in the MG&E shared solar program and purchasing shares (*see article on page 1 for more information*).

Consider adjustment to the stormwater utility rate and set effective date – The Public Works and Finance Committee reviewed the stormwater utility. It is projected to run a deficit in 2019. The utility was created in 2007 and built up a large balance that has been paying for projects and operating expenses. Over the years, operating expenses have outpaced revenues such that it is not sustainable without an increase to the rate. A increase from \$9.18 (per ERU) per month to \$13 per month was proposed to cover expenses and build a small surplus that could be used for future projects. The Board unanimously approved a rate change from \$9.18 per month to \$13.00 per month effective September 1 (*see article on page 6 for more information*).

Village President's Report – Mr. Benforado pointed out the notice of a \$5,633 insurance dividend received from the League of Wisconsin Municipalities Mutual Insurance company. LWMMI provides the Village's property and liability insurance. The efficiently run non-profit company has very low overhead and has provided a dividend for many years. He noted that for-profit insurance companies typically do not give back dividends.

Village Administrator's Report – Mr. Frantz mentioned the compliance letters received from WHEDA for affordable housing at the apartment complexes. The apartment owners were required to contract with WHEDA to monitor the affordable housing programs and the letters show that the owners are satisfying their requirements.

Personnel Committee – The police department received 19 applications for full- or part-time police officers. They will be interviewing 12 candidates this week to fill one full-time vacancy and replenish the part-time office ranks.

Plan Commission – Mr. Imes reported that the Commission discussed [Degen & Associates Proposal](#) presented at its June meeting. There was a lot of public comment at that meeting. The majority of residents were from the Garden Homes neighborhood. They were not in favor of the proposed scale, size of the project. Stormwater mitigation continues to be a hot topic and should move forward regardless of any proposed Garden Homes redevelopment.

Ad hoc Stormwater Committee – Mr. Benforado reported that the Committee's June 27 meeting was a public input session. There seemed to be good support for the stormwater relief tunnel from residents in attendance. They want to know what the features of the tunnel will look like.

Ad hoc Heiden Haus Committee – Mr. Frantz reported that a contract has been signed for a scope of work to move the project forward.

Adjourn – The meeting adjourned at 9:41 pm.

BLAST E-MAIL NOTIFICATIONS

Keep yourself informed about Village business, events and breaking news. The Village periodically sends out e-mail notifications for the monthly Bulletin, Board agendas, community events and breaking news. We call these notices "blast" e-mails. To sign up for these notices, go to the Village website: www.shorewood-hills.org/notifications and complete the simple on-line form. You will receive an e-mail (from support@govoffice.com) asking to verify your e-mail address. Clicking a link in the e-mail activate your account. Contact the Village Hall (267-2680 | web@shorewood-hills.org) if you have any questions.

Next Bulletin Deadline: Monday, August 19

JULY 4TH CELEBRATION

The weather during the week leading up to the 4th of July was wet and stormy, and it looked like we could be facing rain on the 4th and/or difficulty getting out on the golf course to put on the fireworks display. Fortunately our luck held out, and we were able to get all the festivities in. Attendance at the Village Dance on Wednesday night was small, but the kids and adults who were there had a good time. Music was provided by the Johnson DJs, and there were plenty of cold refreshments to stave off the heat.

Thursday morning saw a good turnout for a spirited and high scoring softball game. The Tri-It Triathaloners (more every year) did their thing in the morning, before the heat got too uncomfortable. The Art Fair and Bake Sale were up and running from the morning throughout the afternoon and were much appreciated. It's nice for our neighbors to display their artistic and culinary talents. I'm sure there are more artists who could share their passions with us next year. A variety of traditional 4th of July (think John Phillip Sousa) and other American music played over the speakers as people visited during the morning.

The Grand Parade with its large contingent of bikes, scooters, wagons, and strollers led by the 1929 Mack Fire Engine made the rounds of Shorewood Hills School to begin the afternoon activities. We also had Randy Clark's restored WWII Army jeep leading the parade to commemorate the 75th anniversary of D-Day. When the parade finished there were balloons and popsicles to enjoy as well as ice cream from the Chocolate Shoppe. While the other events were being set up the 'water-weasel' on the east side of the Heiden Haus field gave the kids (and a few adults) a chance to cool off. Then there were the 'Kids' games for those 6 and under and the stage games for those a bit older. The 1929 Mack Fire Engine provided free rides to young and old for an hour after the parade. Later on there were several very competitive rounds of egg toss for tossers of all ages. Knowledgeable residents always are aware that is not safe to let your dog roam the Heiden Haus field until there has been at least one good rain after the egg toss. The afternoon activities culminated with waterfights for the kids and then the team waterfight competition called by our team of veteran announcers Jacob Johnson and Dave Ahmann. This year we had 14 teams sign up with Coops Troops (lead by Scott Cooper) taking the trophy for the fifth straight year. When all the fun was done and things were put away, the chefs of the Village Board and Administration fired up the grills for the Family Picnic.

At Blackhawk Country Club before the fireworks, the Chocolate Shoppe was selling ice cream and drinks (a portion of the proceeds being donated to the Fireworks Fund) and 'Let's Eat Out!' food carts ([Jaks Ohana](#) and [Kakilima](#)) provided other treats, as well. Musical entertainment was provided by Christian Rickman, Chelsea Melnick and the Michael BB Five-tet. Magician Henry Rickman also entertained the crowd. Funding for these artists was provided by some of the proceeds from last fall's [Shorewood Scramble](#) golf tournament. The fireworks were great although we had many misfires that we had to fire off at the end (the finale after the finale). We were very pleased with the selection of shells we had this year and particularly with the changes we made to the finale. We are always looking for ways to make the show better. We would like to thank everyone who helped make the show possible with their donations to the Fireworks

continued on page 5

SHOREWOOD SCRAMBLE AND EVENING ON THE PATIO September 9, 2019

Blackhawk Country Club and the Village invite all Shorewood Hills residents (and guests) to participate in the Shorewood Scramble, a golf fundraiser for the 2020 fireworks celebration. If you are not a golfer, but would like to spend an evening in a beautiful setting, join us for the Evening on the Patio. After the golf scramble (5:00-7:30 pm), players and others can relax on the outdoor patio overlooking the golf course and Lake Mendota.

Golfers: scramble format; 12:00 noon shotgun start. \$100/person (\$75 will go to the Shorewood Foundation for 2020 fireworks celebration and \$25 will cover box lunch and one drink ticket for Evening on the Patio; after that cash bar).

Non-golfers: Evening on the Patio (5:00-7:30 pm). Complementary fajita bar; music on the patio; cash bar.

Registration details are available on the Village website at: www.shorewood-hills.org/scramble

continued from page 4

Fund. The final tally is not yet complete (and you can still send in a contribution!), but with some funds from last fall's golf outing, donations may be able to cover the full cost of the fireworks (about \$9,500) for the first time. Special thanks to Fireworks "Fan"-atics and their families for the very significant donations they made to the Fireworks Fund. We would also like to thank the Blackhawk Country Club for their financial support and cooperation with the use of the grounds for the Fireworks show. If donations to the Fireworks fund do not cover the entire cost of the show Blackhawk and the Village split the remaining balance.

One final reminder on fireworks...each year there are larger and fancier fireworks for sale to the general public, and each year there are tragic accidents involving fireworks. Remember that, while bigger fireworks items are more awesome, they are also more dangerous. Many of us in the EMS & Fire Association have 20+ years of training and experience. We are very careful in what we do (much more so than the average person would be) and have equipment that allows us to fire most shells remotely, but those years of experience and specialized equipment only minimize the risk of an accident. There is always a potential for problems; and the bigger the fireworks, the bigger the potential danger. Please exercise great care with fireworks if you choose to use them.

All-in-all, it was another very successful 4th of July! Planning is already under way for next year. All volunteer help is greatly appreciated. It takes many people to make the celebration happen. Work on the July 4th activities begins many weeks before the actual celebration. Those on the front line are the members the EMS & Fire Associations. David Sykes coordinates all of the activities from preparation and set-up through clean-up so that nothing gets overlooked. Others involved include the Shorewood Hills Police, the Blackhawk Country Club staff, Karl Frantz and the Village office staff, and John Mitmoen and the Public Works crew. The Shorewood Hills Community League once again organized a very successful bake sale and arranged to provide frozen treats for everyone following the Parade, and also provided a significant donation towards the fireworks. A group of volunteers led by Birk Cooper planned and coordinated the 6 and under kids games. Tad Pinkerton displayed his woodwork and coordinated the other artists for the Art Fair. The Board of Trustees chipped in again to man the grills for the Family Picnic. And, many, many other Village residents volunteered their time with filling helium balloons, serving beer and soda, helping with the kids games, cleaning up at Blackhawk on July 5 and providing crowd control before the fireworks. All the activities from the dance through the clean-up went smoothly thanks to all the help.

Keep an eye on next year's May and June Village Bulletins for volunteer opportunities in 2020. As we like to say, the 4th of July is right around the corner!

FIREWORKS FAN-ATICS

Thank you to everyone who contributed to the Fireworks Fund this year. We appreciate all donations, big and small. Residents who made donations to the fireworks fund before July 4th are considered fireworks "fan"-atics and receive a copy of the firing list indicating which firework(s) they sponsored in the show.

Special thanks to the following Fireworks "Fan"-atics and their families: Curt Hastings, Tony Sanna, Randy Grobe, Steve Hawk, Ty & Lindsay Cashen, Yaniv Lazimy, Elizabeth Heiner, Class of 1969 (Shorewood Hills Grade School), Peter McCanna, Sue Jefferson, Sam & Meghan Lubner, Earl Munson, Ward Wixon, Margaret Marriott, Aaron & Shannon Wieland, Patty Lancashire, Carolyn McKinney, David Callan, Nate Brand, Lisa Munro, Mary Shapiro, Mark Lederer, Ed Laube, Susan Ehrlich, Robert McDermott, Fannie Hicklin & Ariel Ford, Pat Fessenden, Jim Hudson, Diane & Rod Lakes, Burt Kushner, Caryl Askins, Gard Strother and Greg Lampe.

An extra special thank you to Jim Berbee, Joe von Elbe, Roma Lenehan, Carol Schlatter, Elizabeth Sykes and the Shorewood Hills Community League for the very significant donations they made to the Fireworks Fund.

We would also like to thank Andy Lanz of the Chocolate Shoppe (who contributed a portion of his July 4th ice cream sales) and John Flad of The Lodge at Walnut Grove for their contributions to the Fireworks Fund.

Donations are still being accepted. Make checks payable to: **Fireworks Fund** and send them to the Village Hall at 810 Shorewood Boulevard, Madison, WI 53705. Thank you!!

STORMWATER UTILITY RATES TO INCREASE

The Village Board authorized an increase in the Village stormwater utility equivalent residential unit (ERU) fee from \$9.18 per month to \$13.00 per month beginning with the September billing. All single-family homes in the Village pay a fee based on one ERU. For the purposes of calculating the fee for commercial properties, an ERU is equivalent to 2,941 square feet. All residential single-family homes will see about a \$4 increase on the monthly utility bill. Other entities will see an increase of about \$4 per ERU they are currently being charged.

The Village established the stormwater utility in 2007 to provide a dedicated source of revenue to help pay for stormwater management activities to improve the quality of water that enters Lake Mendota and the aquifer. Moving these expenses off the property tax levy also means that tax exempt properties pay a share of these costs. The Village also is required to take steps to reduce the total amount of suspended solids (TSS) contained in our stormwater as part of the permit we have to discharge. In 2007 (before any projects were completed), the Village was at 4.6% of TSS removed. At the end of 2018, the Village is achieving 16.7% removal. The increase results in eliminating about 7.4 tons of TSS that would have otherwise drained to the Lake on an annual basis. For reference, the Village generates about 61.1 tons of TSS each year. Communities are expected to achieve 20% reduction. This is very difficult in fully built out communities like Shorewood Hills. Communities with new development occurring in green fields are able to construct large bio retention area as part of their development and achieve large reductions in newly developed area that makes up for lack of reduction in built up areas.

The stormwater fee has not been increased since the utility was formed in 2007. Since that time the Village has undertaken \$1.5M in capital projects to help improve water quality through the construction and maintenance of bioretention devices, and construction of curb and gutter on street projects. Operating costs of the utility associated with street sweeping as well as leaf collection have also increased. Without this increase the utility was expected to exhaust its cash on hand and have a cash deficit by 2020. Revenues based on the current rate are about \$149,000 per year with expenses approaching \$200,000 on average. The utility has had enough funds on hand to fund its operating deficits for the last several years. The rate increase is expected to produce revenues of \$211,000 annually.

UTILITY BILL AUTOPAY

Are you tired of writing a check each month for your utility bill? If so, you should consider ACH or "AUTO PAY" through the Village. It is a FREE service where the monthly bill is directly debited from your checking account on the 20th of each month. Late fees will be a thing of the past if you sign up for the Village's ACH system. Go to www.shorewood-hills.org/water for more information and to download the ACH form.

RECYCLING TIPS – Water Contamination

Water is sometimes considered a contaminant in the recycling stream. Water and moisture can cause paper and cardboard to disintegrate during the recycling process. Please ensure that your recycle cart lid can close completely to prevent items from getting wet. To watch a short video on water contamination (and other recycling tips) go to: www.shorewood-hills.org/pelliteri

What Should I Do If I Have More Recycling Than My Cart Can Hold? Residents have several easy inexpensive alternatives, for when you have more recyclables than will fit in your cart.

- 1) Carts are 30, 65 or 95 gallons. If your cart is smaller than the largest size, call the Village Hall to arrange for an exchange to a larger cart.
- 2) Put your extra recyclables in a clear bag next to your cart (*up to 32 gallon bags, no more than 50 pounds*) and it will be picked up at no extra charge.
- 3) Order and pay (\$48) for an additional cart from Pelleteri by calling 257-4285 (only if you cans will fit in your garage). Put both carts out on recycle day at no extra charge.

SECURE YOUR HOME BEFORE GOING ON VACATION

For many in the Village, August means vacations. The rec programs are ending and the swim/dive team season is over. It is time to take a break before the school year starts. To avoid a surprise when you get home, please follow these easy safety tips:

- Secure all doors and windows in your home and vehicle(s) at night and when away.
- Do not leave valuables or keys in your vehicle(s).
- Contact the U.S. Postal Service and newspaper to stop delivery when going out of town.
- Notify the Police when you plan to be gone. Vacation Security Report forms are available on-line or at the Village Hall.
- Inform your trusted neighbors when you will be away and have them check on your home.
- Leave lights on or use timers so others think you are home. Lighting is the most cost effective security measure available.
- Take pictures of valuables and serial numbers (if the items have them).
- Contact the Police if you notice something out of place when you return home. The non-emergency number for the Police Department is 267-1110 (outside of business hours that number is answered by the Dane County Communication Center).

Thank you for helping us keep the Village a safe place to live.
 – Shorewood Hills Police Department

WHO DOESN'T LOVE SAND VOLLEYBALL?

The volleyball court just east of the Pool tennis courts has new sand and volleyballs waiting for you to enjoy! The Recreation Committee is also looking for someone to coordinate a Fall Volleyball League. If interested, please e-mail Tracy Bailey at tbailey@shorewood-hills.org.

4th of July Pictures

Editorial Staff: Karl Frantz, Administrator; David Sykes, Administrative Services Manager.

AUGUST BULLETIN

MANY THANKS...

...to everyone who helped with the July 4th Bake Sale (workers, bakers and patrons). The event was a great success. As was the Ice Cream Social before the water ballet show. Thanks to those that volunteered to scoop ice cream.

SHOREWOOD HILLS LEAGUE 2019 PROGRESSIVE DINNER

Sign up today to be part of the Shorewood Hills Progressive Dinner! Let's all gather to both welcome the new residents of Shorewood Hills and catch up with our neighbors with a Progressive Dinner!

What is the Progressive Dinner? This is an event sponsored by the Community League for all residents to enjoy an evening of great food and company! All Village members who sign up for the event start the evening together at the home of a Village resident for drinks, appetizers, and lively conversation. Next residents move to their assigned home for the dinner portion of the meal. The night ends with everyone joining together once again at another Village home for dessert and after dinner drinks.

SEATING IS LIMITED and will be filled on a first come first serve basis. So do not delay in purchasing your tickets.

WHEN: September 14 starting at 6:00 pm

COST: \$50 per person

To reserve your spot, fill out the form and submit your payment by going to <https://form.jotform.com/shcleague/progressivedinner>. More details will be sent out to ticket holders when we get closer to the date of the event.

Questions? E-mail us at shcleague@gmail.com

GARDEN CLUB NEWS

We invite all residents to either renew or begin their memberships with the Shorewood Hills Garden Club. Your membership is foremost a support for the efforts to keep the Village green spaces (the Triangles are maintained by GC, not the crew), encourage good stewardship regarding trees and plants in the Village, and to foster education about gardens, plants, trees, et al.

GC has also been a generous contributor, including helping augment funding for Village summer interns working with Corey, donate benches in parks, hire a horticultural consultant to plan public garden spaces, and more. The group's members are a varied bunch—we are men and women, we cover a range of ages, our backgrounds are diverse, some of us are avid hands on types, while others admire from afar. We welcome all to join us.

How much you engage in our activities is up to you; but no matter at what level you choose, your support is vital. So join today, rates are \$20 for active membership, \$30 for supporting. See the membership form on the next page.

Thank you!

AUGUST 2019 BULLETIN

*It is time to renew your membership for the 2019 - 2020 year

Please complete Annette Mahler
and mail to: 3220 Tally Ho Lane
 Madison, WI 53705

(make checks payable to: Shorewood Hills Garden Club)

2019-2020 MEMBERSHIP

ACTIVE MEMBERSHIP

I wish to be an active member of the GC. As such, I agree to pay annual dues of \$20, and *agree to volunteer for one or more activities* (please check the boxes that suit your interests and talents).

SUPPORTING MEMBERSHIP

I wish to be a supporting member of the GC. As such, I agree to pay annual dues of \$30.

A GIFT THAT GROWS

I wish to make a donation of \$_____ to the Garden Club, to be used toward the budget which supports the upkeep of the Triangles, gifts to the Village (trees, plant materials, etc.) and necessary supplies to fulfill the GC's mission to foster gardening and the greening of the Village.

Name _____

Address _____

E-mail _____

(please print clearly)

In order to save on postage costs, please remind me of Garden Club meeting dates via e-mail, rather than by U.S. mail.

GC gets info about events sponsored by various other garden clubs and related groups. They ask us to share announcements with our members.

IF you do NOT want such emails, please check this box!

Please remind me via U.S. mail.

GARDEN CLUB VOLUNTEER OPPORTUNITIES

There are many jobs to be done and our GC is strongest and most active when many individuals roll up their sleeves and help. Join us for another year of gardening initiatives in the Village!

- Become a club officer or committee chair
- Host a meeting at my house (usually a December or June meeting)
- Provide a refreshment for a meeting
- Allow members to tour my garden
- Bake for the Bake Sale events
- Care for a Village Triangle (annual commitment)
- Help with Triangle Garden work-days
- Help with the Plant/Cocoa Mulch Sale in the spring
- I am interested in learning more about the following topic(s):

*Please do invite a neighbor to join the Garden Club.
New members are most welcome!!*

Tutoring – 19 year old sophomore at MATC looking to tutor math up to and including Trigonometry. I have past tutoring experience at MATC and enjoy helping students. Text Jacob at 608-957-6702 or e-mail jricemanhappell@madisoncollege.edu. Fee is \$20/hr.

LEAGUE BULLETIN ADVERTISING POLICY

The Shorewood Hills Community League Bulletin accepts ads from Village residents and businesses. The League does not accept non-resident commercial ads. Non-residents wishing to buy or rent homes in the Village may place ads for such if they provide a Village reference. Limit ads to 150 words or less.

The Village staff has begun managing the Bulletin advertising program for the League. If you would like to place an ad, contact **David Sykes** at: dsykes@shorewood-hills.org. Commercial ads are 50¢ per word. Other resident ads are 30¢ per word. Residents under the age of 18 may place ads at 10¢ per word. Deliver payment to the Village Hall, 810 Shorewood Blvd, Madison, WI 53705. Please make checks out to: Village of Shorewood Hills' or 'VoSH.'

The Bulletin is published monthly. **Ads are due by the 15th of each month.** The League and the Village are not responsible for, nor do they endorse, the services advertised.

We mourn the loss of

Arlene Rotter – former Wood Lane resident

The League would like to acknowledge births and deaths of Village residents. Please help by notifying us with such information: shcleague@gmail.com
