

28th Annual Adult Waterfight Tournament

Our tournament is supposed to be a single elimination tournament (but it sometimes turns into a double elimination with byes because of an odd number of teams). Teams must consist of 4-6 people (over 18 years old please). Due to time constraint and logistical matters, we try to limit it to 12 teams on a first come, first serve basis. So, sign up early, **we cannot guarantee** your team a position in the tournament if you hand in your registration form at the last minute. Opponent selection will be done “randomly” but be prepared for some irony . . . competing spouses typically find themselves at opposite ends on the field of battle. Please turn in this registration form to beverage sales area at the old Fire Station during the Independence Day Dance or July 4th Celebration.
