2. Roll call

Present were Mr. Rahn and Board members Joyce Bromley, David Brown, Susan Kiernan and Mark Lederer. Village Assessor Dean Peters of Associated Appraisal Consultants, Inc. and Village Clerk Sam Liebert were also present.

Mr. Liebert reported the meeting had been properly posted and noticed.

3. New Business

A. Update from Associated Appraisal

Mr. Peterson gave a review of the assessment process. He expects there could be about a 21% overall increase this year, but the final numbers are not yet in. Stated that Open Book could be sometime in mid-July but would work with Mr. Liebert on final date for Open Book and next board meeting.

B. Annual Mandatory Training for Board of Review Members

Mr. Liebert attempted to share his screen for the board members to watch the required annual state training. After several attempts, the board agreed to share the thumb drive and members could watch the training at home on their own time.

4. Adjourn

Motion by Brown, seconded by Lederer to reconvene the Board of Review until such time when the assessment process is complete and potential objections can be heard by the board.

Motion carried 4-0.

Respectfully submitted,

Samuel E. Liebert
Village Clerk-Treasurer
