

### **Counseling / Assistance for School-age Children**

The Red Cross has counselors available for those affected by the flash flood. If you would like to talk to a counselor, call the Red Cross Disaster Distress Helpline at 1-800-985-5990 or text 'TalkWithUs' to 66746.

Shorewood School has a social worker available. If you have school age children that need assistance, contact Rachael Nachtwey ([rlnachtwey@madison.k12wi.us](mailto:rlnachtwey@madison.k12wi.us)). Some children may be eligible for supplies and transport to school if living in temporary housing. Assistance for living expenses may be available for families that have to relocate in the area. There may be other resources available too.
