

New Policy for Curbside Mattress & Box Spring Pickup

May 2017

Residents that would like a mattress or box spring picked up from the curb are required to first put them in a waterproof and sealable plastic or vinyl storage/disposal bag.

Cotton mattress protectors are not acceptable; it needs to be waterproof.

Most places that sell moving materials (hardware stores, U-Haul, etc.) and stores that sell bedlinens usually sell the storage bags (Wal-Mart, Target, etc.). They are typically marketed as a storage bag for when you're moving, or as a protector against allergens. Average costs range from \$10-\$20, depending on where they're purchased. (Fees for the pickup service itself may also apply, depending on your municipality.)

This new policy is to protect the health and safety of our employees, as curbside pickups are done manually. Thank you for your understanding! Please call our office at 608-257-4285 with any questions or to schedule a pickup.
